My dear Miss Downey-

Your letter with draft for \$4.00 in payment of the enclosed receipted bill, was received to-day, for which please accept our thanks.

I want to thank you too for your kind letter. I hope some time in the future to find time to visit your library, but just at present the outlook seems to be a busy one.

We had such a nice visit from Miss Corry not long ago. She is such an inspiration to us all. I am so glad she is to remain in the State.

Thanking you for your good wishes, and hoping to meet you again soon, I am

Sincerely yours

Daisy B. Lakin
