Dear Madam. We have your letter of the 31st ult stating you had deposited \$3000⁰⁰ in the 1st Natl Bank for us this was as we wanted and thank you for doing this for us.

Will you kindly let us know if the Certificate was for \$2000⁰⁰ even or if they cut it down to make it even. we want to know this as it would make difference when it comes to our next estimate we also want Mr Gage to know it if they did not pay the full amount of est.

Very truly yours
